Dear Parents

## An Information Evening for Year 12 Parents

We will be holding an Information Evening for parents of Year 12 students on **Monday 19<sup>th</sup> September 2016 in the School Hall, starting at 7.00 pm.**

The Year 12 programme presents a huge academic challenge to students, not just in terms of workload but in terms of time management and personal experience. At this age students often do not talk to parents about what goes on at school. We felt, therefore, that an opportunity for parents to receive information early on in the course might be useful. We will talk about some of the academic and social demands placed on students, together with how we monitor student progress and the support systems that are available to them.

The evening should last for no more than an hour, with the opportunity for informal discussion or individual questions afterwards.

We would very much value your support on this evening so that together we can help your son/daughter to make the most of their time in the sixth form.

Yours sincerely

Mrs H Scott  
Head of Year 12
