Dear Parent/Carer

Changes to the school day from September 2024

I am writing to you to inform you about a change to the timings of our school day from September 2024. We have had to change the length of the school day so that it meets the Government's minimum expectations of 32.5 hours in a week. Our current school day is 25 minutes short of what is expected of all schools from September 2024.

The new school day from September 2024 will be as follows:

New start time	08.30am	Current start time	08.30am
New end time	3.00pm	Current end time	2.55pm

We will continue to have five one hour lessons during the day and each morning break time will be extended by 5 minutes for all students.

Please understand that this change has been made so that we comply with this new Government requirement for September 2024.

Thank you for your continued support for the school.

Yours faithfully

Mr K Hirst
