

Brookfield Community School Careers Education, Information, Advice and Guidance KS3 Student Entitlement

Brookfield Community School will provide you with a programme of **non-biased** Careers Education, Information, Advice and Guidance that is aligned with the Gatsby Benchmarks.

This will give you access to:

- Careers related activities in the PD Programme;
- Support with KS4 Option choices;
- Opportunities to record your achievement and plan for the future;
- Careers Guidance from Careers Personal Advisor;
- Opportunities to develop the skills you need to manage your career and transition from school to work.

This means you should be able to gain the knowledge and skills to make **informed** decisions about your own future. You will be offered various opportunities to practise your skills in order to make plans and act upon these to achieve your future aims.

You will have access to up-to date careers information and help with recording your achievements and planning how to achieve your personal, educational and vocational goals.

You will have a planned programme to guide you to make suitable choices for your KS4 courses.

Careers Education and Guidance at Brookfield Community School in KS3 is supported by:

- Work with Form Tutors including 1:1 interview;
