

Brookfield Community School Careers Education, Information, Advice and Guidance KS4 Student Entitlement

Brookfield Community School will provide you with a programme of **non-biased** Careers Education and Guidance that is aligned with the Gatsby Benchmarks.

This will give you to have access to:

- Careers related activities delivered through Form Time, Assemblies and Drop Down Days;
- Direct Experience of Work in Year 10;
- Opportunities to record your achievements and plan for the future;
- Careers Guidance from our Advisor in Year 10 and Y11;
- Opportunities to develop the skills you need to manage your career and transition from school to Further Education and work.

This means you should be able to gain the knowledge and skills to make **informed** decisions about your own future. You will be offered various opportunities to practise your skills in order to make plans and act upon these to achieve your future aims

You will have access to up-to date careers information and help with recording your achievements and planning how to achieve your personal, educational and vocational goals.

You will have the opportunity for one week's Work Related Experience in Y10 with a planned programme to help you prepare, succeed, review and reflect.

Our Careers Advisor will be available to give help where needed with finding appropriate employment, training and educational places.

Careers Education and Guidance at Brookfield Community School in KS4 is supported by:

- The Post-16 Preparation programme;
- Work with Form Tutors;
- Work with the Careers Advisor;
- Assemblies;
- Displays;
